

BUBB PARENT VOLUNTEER OPPORTUNITIES

Band Parents!! The success of the BHS Band Program is directly related to the strength of our band parent involvement. Please consider volunteering to help the Mighty Hawk band during its marching and concert seasons. The busiest time with the most need for volunteers is generally from August – November during the marching season. Below is a list of different opportunities that allows you to be a welcomed part of this growing band family. Please be an integral part and participate!! This is an amazing way to support your child's musical endeavors!!

Chaperones: Parents volunteer to chaperone during football games and/or marching contests, both local and out-of-town.

Colorguard Silks: Parents volunteer to help with making multiple sets of flags for the Colorguard, including cutting, pinning, sewing, etc.

Field Visuals: For marching programs that require field visuals, parents can offer after-work hours to help with designing and constructing large movable field visuals.
