Notes: _____

I will adhere to the following rules and regulations pertaining to the use of this Equipment.

1. The equipment is to be properly maintained and stored at all times. Inspections may be held at any time by a director, at which time maintenance instructions will be given.
2. In the event the equipment becomes damaged, the student will be required to pay for the repair of the instrument.
3. At the end of each school year, the student will be responsible for the cleaning/maintenance cost of each piece of equipment used.
4. **NO** other student may be allowed to handle the equipment. The student to whom this equipment is issued is responsible for any damages resulting from the violation of this rule.
5. Report any damage that occurs as soon as possible to a director.
6. Violation of any of the above rules may result in the termination of this contract and the return of the equipment to the band.
7. **Equipment may be checked out as needed throughout the season, and will be added to this contract accordingly. By signing this agreement, you are accepting the terms for all the added equipment listed, but not limited to, items above.**
